TRAININGS

Introduction To Personal Branding
University of Virginia, Online
May 2020 - May 2020
Though the concept of personal branding isn't new, questions remain about how to create one and, more importantly, what it means to maintain and inhabit that brand.

Skills I learned are:

o Understand both what personal bran ding means and what it means to inhabit their brand
o Establish themselves on at least three social media platforms
o Create a mission statement for their personal brand
o Build a board of directors for their brand
o Become familiar with the basics of digital security and reputation management
o Create a system for on-going brand maintenance

Frontend Fundamentals

PRIPLE, Online

Dec 2019 - Present

It's training about HTML and CSS
Wher I learned a lot of basics of HTML and CSS like various tags and design parameters for a fabulous website.
During this training, I have done 2 projects and 8 assignments.
Project 1 is about: Cr eate a simple website about your favourite book/story.
Project 2 is about: Recreate of Homepage famous websites like Facebook, Twitter or any other popular websites
